Available in 2 oz., 4 oz., and sample foil packets

*100% Certified Organic and edible, Fair Trade when available.

LOVE OIL VERA BENEFITS

LOVE Oil Vera is a full body lotion; a careful blend of organic essentials oils and plant emollients for skin care, biofield balance and emotional support. Each oil is carefully considered with exacting scrutiny and divine inspiration to complete the blend, providing superior skin care with heart centered emotional properties to experience love and perhaps re-discover a mission to share LOVE.

LOVE OIL VERA SUGGESTED USES

The Vibranz Human Blueprint™ Frequencies contained in LOVE provide matching frequencies for organ, endocrine and other systems, bringing the body into its energetic balance. Essential Oils and Extracts from plants and trees have been used for thousands of years for their therapeutic properties. The molecular structure of many essential oils is tiny enough to pass through the blood brain barrier. Many experts say essential oils deprogram misinformation stored in DNA and then reprogram correct cellular information.

- Can be used effectively on bacterial skin infections
- Apply to skin to diminish acne break outs
- Use as an aftershave for men's faces and women's legs
- Use first thing in the morning for puffy eyes
- Use as makeup remover and moisturizer
- Use for chapped lips; skin and diaper rash
- Apply directly to skin discolorations to help fade brown spots
- Apply to scars to soften and shrink
- Use regularly to firm sagging skin, reduce stretch marks
- Use for spider and varicose veins
- Use for mole reduction or elimination
- Use for cuticles; repairs and strengthens damaged nails
- Use 2 drops & apply Red NatuaLaser for bed sores or other skin irritation

COSMONUTRICEUTICALS — a term coined by Vibranz, refers to the combination of cosmeceutical and nutraceuticals that have been infused with Human Blueprint™ Frequencies for biofield balance. The term 'nutraceutical' was introduced during the 80's to describe supplements that are generally derived from natural ingredients to provide wellness benefits similar to pharmaceuticals. Cosmeceuticals are cosmetic personal care products that can provide wellness benefits similar to pharmaceuticals.

- Useful remedy for insomnia, whether caused by anxiety or overexcitement
- Finds roots of discontent, anger, fear and mis-use of power

LOVE OIL VERA TESTIMONIALS

"This is the most wonderful moisturizer. I use it as my night cream. (I use Citrus Silk Oil Vera for daytime.) The scent helps me relax and be ready for sleep. It is also WONDERFUL on sunburnt skin. I was out longer than usual during 'prime burn time' (mid-day) and got quite sunburnt. LOVE lotion was instantly soothing and even as time passed, calmed the itching and kept me from peeling! " – Priscilla A., PA

"'Love' lives up to its name because I truly love it! It is the smoothest most decadent moisturizer I have every used on my body. I use it all over; I feel and smell great! I use it on my face before bedtime and wake up with soft, supple skin. A 'must-have' in your arsenal against aging." – GoodVibes

"Vibranz LOVE Oil Vera is the perfect night time face serum and a great body lotion! " – Brenda G., VA

"I spend a lot of time in the sun. Whether it is cycling, hiking or running, Citrus Silk Oil Vera is my skin saver while exposed to the intense heat. However, my skin loves LOVE Oil Vera and it inhales LOVE like you wouldn't believe, especially after a day in the sun. After my showers, I rub LOVE all over my body and throughout the day to replenish the youthfulness of my skin. I would not survive the Las Vegas heat of over 100 degrees on a daily basis if not for LOVE and Citrus Silk Oil Vera. — Van B., Las Vegas.
