Hematite

Tigers Eye

Sirius Balance

Swarovski Crystal

Pendants may enhance cognitive function and overall wellness. The Human Blueprint™ Frequencies embedded in the pendants strengthen the communication pathways between our internal systems while clearing them of toxins and static experienced due to environmental pollution and emotional stress. When communication pathways are clear and functioning without obstructions, we experience

Frequency Discs (Black Granite 8" Green Jade Marble (3.5"))

Proprietary Human Blueprint™ Frequencies that bring the body into balance and energetic homeostasis are infused in the disc. Can help with areas of pain or imbalance. Place food, fruits, veggies and beverages to achieve maximum efficacy, keep

Encoder & Entrainer Drops transmits frequencies which brings body and mind into a state of harmonic resonance or cohesiveness; utilizing the piezoelectric phenomenon to optimize physical and mental performance.

Frequency Band used in conjunction with pendants along with frequencies programmed helps reduce aches and pains in the area wrapped up by the band. Band made of organic silk and hemp fabric.

Vibrational Music Series by Peter Sterling is music and sound recordings to enhance bio-energetic wellness. Blends high vibrational sonics and heartfelt melodic compositions into a unique and healing musical experience that re-align the listener with higher vibrational frequencies of light and sounds, gently bringing one into a state of serenity, wholeness and inner peace.

Intention Disc is a semi-precious stone, it can be used to assist in programming for alignment with your goals and intentions; clear toxic wave forms from food, liquid and personal care products.

Personal Environmental Transformer (PET) - is used for EM protection and pain relief. Pointing at an area of pain will bring in frequencies for relief, pointing away from an area of pain will tend to neutralize incoherent frequencies.

Sirius Earth Hearts and Strips are "adhesive" stickers with proprietary frequencies embedded into fine crystals and plant matter that are adhered onto them. The plants and minerals transmuted incoherent EMF waves into coherent EMF waves, makes all the difference in how they effect the human body

Pet Vera & pendants is programmed ZeroPoint Technology to assist pets in balance the body, increase energy, ease discomfort, reduces stress, increase focus and clarity, restful sleep and protection from EMF
