

Mint Matrix Oil Vera is a wellness solution with multiple applications. Mint Matrix Oil Vera consists of a combination of essential oils and extracts from plants and trees, which have Human Blueprint™ Frequencies embedded with ZeroPoint™ Technology. Mint Matrix Oil Vera contains Aloe Vera, Jojoba Oil, Peppermint Oil, Spearmint Oil, Argan Oil, Safflower Dulse and hydro-vortexed Nano-Silver.

Mint Matrix is a completely organic, anti-aging product that restores cellular balance from the outside in, and from the inside out, and it shows! 100% Certified Organic, Fair Trade when available.

Available in 4 oz. pump, 1 oz. dropper, and sample foil packets

HOW ZEROPOINT™ TECHNOLOGY IN THE VIBRANZ MINT MATRIX OIL VERA WORKS

It has been discovered that the cells in the body vibrate at various frequencies depending on their state of health. Vibranz has identified specific frequencies that match the optimum state of health for each of the body's organs and systems. These are called Human Blueprint™ Frequencies. When a person ingests or applies Mint Matrix Oil Vera, their body begins to resonate with the frequencies that are in the Mint Matrix Oil Vera through a process called Sympathetic Resonance and when exposed to light, Biophotonic Entrainment also occurs. This is similar to a tuning fork that will pick up the frequency (sound) of another tuning fork in its vicinity.

When they are close to one another, they will both begin to resonate at the same frequency. When the organs and systems of the body are attuned with the frequencies that are in the Mint Matrix Oil Vera, the body returns to a balanced state. The body is able to protect and heal itself when it is in balance.

MINT MATRIX OIL VERA BENEFITS

The ZeroPoint™ Human Blueprint™ Frequencies contained in Vibranz Mint Matrix Oil Vera provide matching frequencies for organ, endocrine and other systems, bringing the body into its energetic balance. Essential oils and extracts from plants and trees have been used for thousands of years for their therapeutic properties. The molecular structure of many essential oils is tiny enough to pass through the blood brain barrier. Many experts say essential oils deprogram misinformation stored in DNA and then reprogram correct cellular information.

COSMONUTRICEUTICALS — a term coined by Vibranz, refers to the combination of cosmeceutical and nutraceuticals that have been infused with Human Blueprint™ Frequencies for biofield balance. The term 'nutraceutical' was introduced during the 80's to describe supplements that are generally derived from natural ingredients to provide wellness benefits similar to pharmaceuticals. Cosmeceuticals are cosmetic personal care products that can provide wellness benefits similar to pharmaceuticals.

The Chakras (balls) are spinning vortexes of subtle energy and are crucial for everyday balance and wellness. The left, BEFORE scan, shows misalignment in some of the chakras and insufficient energy in the throat chakra. The circle shadows present are showing the other scan chakra positions. Note how the chakras are center aligned to support body function AFTER using Oil Vera.

The 'field' around the body shows the symmetry between left and right sides of body. Symmetry is important for healthy function. The gaps or decreased energy relates to organs, glands or body parts. Note the stronger energy field after the Oil Vera is applied.

MINT MATRIX OIL VERA TESTIMONIALS

"In addition to using the Mint Matrix Oil Vera for gums and teeth with a remarkable decrease in the amount of dental plaque and improvement in the reduction of gum pockets, I also used the Mint Matrix Oil Vera with great success to ease the pain of a sore throat, open stuffy nasal passages, and overcome the discomfort of an upset stomach." — Gloria H., CA

"I went to have my teeth cleaned and my hygienist said my teeth looked good and there wasn't very much plaque. It was the easiest teeth cleaning I had ever gone through." — Brenda G., VA

"For the last 16 years, I have experienced extremely painful menstruation and other not so pleasant symptoms. I have been wearing my Vibranz pendant every day for about 6 months, but noticed my symptoms were still there. I started using the Green NaturaLaser on the inside of my ankles and in my navel with amazing results. My ankle swelling and other PMS symptoms were dramatically reduced. Now, with the addition of 1 drop of Mint Matrix to my ankles, navel, and lower abdomen, my severe menstrual cramps have been eliminated! I am now active, energized, and feeling fabulous every day of the month! I am forever grateful for these products!" — Velvet C., FL

"I was given Mint Matrix Oil Vera by my friend. She knew I had problems with my lungs as I have COPD, and she knew that I had a bad cold. I can honestly say that the next day I was breathing much better and on the road to recovery." — Emma B., FL

"My lower back went out again and the shooting pain was about an 8. My back would go "out" each year when I work in my gardens and this time it wasn't as bad. I used the Red and Green NaturaLasers and did Mint Matrix Oil Vera, Reiki, and Yuen and had energy treatments. I got through that week teaching piano being very careful not to move too much. The following Monday and Tuesday I was feeling better and I would say the pain was about a three. During the Vibranz meeting Tuesday evening, I tried to reach for something and felt the pain in the lower back. A few minutes later my friend put a drop of the Mint Matrix Oil Vera on my lower back and I rubbed it in. Within a minute I attempted to get up out of my chair and there was absolutely NO PAIN at all!!!! They said my face glowed with excitement. Four hours later and still no pain. I could bend backwards, forwards and it was like my L4 and L5 disk pain disappeared. When you experience an abrupt release of pain like that, you know there is something to these Vibranz products. You can be assured that I will continue to experiment with these oils and products." — Glory L., MD

"Fantastic! Even our 10 year old likes it. My gums were significantly stronger. I absolutely love it!" — Werner B., ME
