

*****Limited Edition*** Sirius Crystal Pendant** may enhance cognitive function and overall wellness. The ZeroPoint™ technology infused Human Blueprint™ Frequencies embedded in the Sirius Crystal Pendant strengthen the communication pathways between our systems while clearing them of toxins and static experienced due to pollution and emotional stress. When communication pathways are clear and functioning without obstruction, we experience optimum balance and natural health.

HOW ZEROPOINT™ TECHNOLOGY IN THE VIBRANZ SIRIUS CRYSTAL PENDANT WORKS

It has been discovered that the cells in the body vibrate at various frequencies depending on their state of health. Vibranz has identified specific frequencies that match the optimum state of health for each of the body's organs and systems. These are called Human Blueprint™ Frequencies. When a person wears a Sirius Crystal Pendant, their body begins to 'resonate with the frequencies' that are in the Sirius Crystal Pendant through a process called Biophotonic Entrainment. This is similar to a tuning fork that will pick up the frequency (sound) of another tuning fork in its vicinity. When they are close to one another, they will both begin to 'resonate at the same frequency'. When the organs and systems of the body are attuned with the frequencies that are in the Sirius Crystal Pendant, the body returns to a balanced state. The body is able to protect and heal itself when it is in balance.
